

## **Ebony Harris, LCSW**

Ebony is a Licensed Clinical Social Worker in the State of Illinois, also licensed in South Carolina.

Using an eclectic approach, Ebony incorporates a variety of modalities including: EMDR, relational, strengths based, and solution focused therapy. Ebony has experience in the nonprofit sector and has gained experience with several populations.

Ebony facilitates individual counseling with adults. Her clinical interests include Trauma/PTSD, Racial Identity, Life Transitions, Anxiety and Depression.

*As a woman of color and culturally aware therapist my goal is to engage individuals from all walks of life. I work to create a space that is understanding of one's unique cultural values, perspectives, and identities. There is no need to fear being misunderstood or judged, all are welcome.*
